- Add efficiency and eliminate the cost and liability of regular trips to the bank
- Reduce the risk of fraud

Ask us for details on how Remote Deposit Capture can improve your business today.

How does it work?

You scan checks and submit them securely online from your office. Heritage Bank receives and processes the checks the same way we would if we received them in person.

Do I need any special software?

Other than an internet connection and an available USB port, there is no additional software needed. *Minimum system requirements include: Microsoft Windows 2000, Vista 32-bit, and Windows 7 32-bit; Internet Explorer 11 or later.*

What kind of equipment will I need?

You will need a check scanner, which you can obtain from Heritage Bank.

How quickly will my funds become available?

Accepted deposits made before 6:00 pm Monday through Friday are usually posted to your account the same business day.
